A word from the Director and script writer....

Don't you just love pantomime? I do! Riding on the success of my first panto 2 years ago, I felt I had to do it all again. Oh yes I did!!! I love the camaraderie and fun of panto and I want to thank all my cast and crew for their support in bringing my second script to life on the stage. I hope you, the audience, love it as much as I do.  
Moira Lucas

A word from the Director's Assistant....

It's been a real pleasure assisting Moira which for me has been a dress rehearsal for my own directorial debut with the Chideock Players which will be in early Summer 2008. I have enjoyed the experience enormously and would like to thank everyone involved both on and off the stage for their hard work and commitment (and the humour and laughter the rehearsals generate) and I hope you have as much fun watching this production as I have had producing it, enjoy!
